Final approver name / role *

Approver email *

I have authority to authorize this project and permission to use the assets and likenesses I supply.

I confirm the business details, offers and claims I supply are accurate.

I understand this is AI-assisted production and generated scenes are illustrative.

Send: Save this completed PDF, reopen it to check your answers, then email it with your logo and suitable photos/clips. Use a share link for large files. Do not send passwords or payment-card details. We use these details to prepare and deliver your campaign. Public portfolio use requires separate permission.
